**Memorandum on the probable amount of rain and snow in Northwest India in January, February and March 1954**

It is possible in some years to form a rough estimate of the probable amount of winter precipitation in Northwest India during January to March from certain antecedent atmospheric conditions in different parts of the globe. The factors which act as guides in this matter are, in the order of decreasing reliability, the following:—

- (1) The westerly component of the upper winds over northern India at a height of 3 to 5 miles (September second half and October first half).
- (2) December rain in western region.
- (3) Mean pressure in December in South America.
- (4) December rain at Port Blair.

#### 2. DIVISION 'NORTHWEST INDIA'

In this memorandum 'Northwest India' is taken to consist of the Uttar Pradesh, the Punjab (I) (including PEPSU and Delhi), Rajasthan, Gujarat, Saurashtra and Cutch. In as much, however, as the rainfall in March in the Uttar Pradesh is said to be prejudicial rather than favourable to the crops, this rainfall is not taken into consideration.

#### 3. DATA

The relevant data for the present season are:—

- (1) The high level winds over northern India—The westerly component of the upper winds was stronger than usual over New Delhi and Gwalior.
- (2) The western rain was in very large defect in December.
- (3) South American pressure—Pressure was 0.8 mm. above normal in December.
- (4) December rainfall at Port Blair was in large defect.

#### 4. CONCLUSION

Out of the four factors which are used in forecasting the winter precipitation in Northwest India, this year, south American pressure is very favourable, high level winds over Northern India and Port Blair rain are favourable and western rain is very unfavourable. The statistical indications are that the combined rainfall and snowfall in Northwest India during the period January to March 1954 is likely to be normal.

### ACCOUNTANT GENERAL CENTRAL REVENUES Recruitment of Divisional Accountants

A competitive examination for recruitment about twenty temporary Divisional Accountants (4 of which are reserved for candidates of Scheduled Castes and tribes) in the Public Works Divisions in India will be held on the 6th, 7th and 8th April 1954, in the Office of the Accountant General, Central Revenues, New Delhi. Upper Division Clerks of the Office of the Accountant General, Central Revenues and Accounts Clerks of the Central Govt. Divisions, who were born after 1st April 1921, and Second Division Graduates who were born after 1st April 1930 (in the case of Scheduled Castes and Scheduled Tribes Candidates, the age limit extendable by 5 years) may send applications giving prescribed information with the prescribed amount of fee in Postal Orders to the Accountant General, Central Revenues, New Delhi so as to reach him by the 15th Feb. 1954. Intending candidates should acquaint themselves with the prescribed rules before sending their applications. The rules are being published in the Gazette of India, Part III, Section I and copies of the rules can be obtained also from the Deputy Accountant General (II), Central Revenues, Curzon Road Barracks, New Delhi.

#### Rules for the Initial Recruitment Examination for Divisional Accountants.

Recruitment to the cadre of Divisional Accountants from the three sources, namely, (i) P.W.D. Accounts Clerks, (ii) Upper Division Clerks of the Audit Office, and (iii) Direct Recruits, in the prescribed proportion will be made through a competitive and qualifying test called the "Initial Recruitment Examination for Divisional Accountants".

2. The subjects and the minimum marks qualifying for a pass in this examination will be as follows :—

Subject	Maximum marks.	Minimum required for passing	Percentage
Essay or Precise and Draft	150	75	..
Elementary Book-keeping	150	75	..
Arithmetic and Mensuration (Elementary but practical).	200	133	..
Total ..	500	300	60 per cent.

3. The syllabus of the examination will be as follows :—

(i) *Essay or Precise and Draft*.—The standard of difficulty will be similar to that of the Precise and Draft Paper of the departmental examination held for confirmation of Upper Division Clerks.

(ii) *Elementary Book-keeping*.—The paper in this subject will be of a fairly elementary character. The "Student's Complete Commercial Book-keeping, Accounting and Banking" by Arthur Fieldhouse has been prescribed as the text book for the paper on this subject, but it should be supplemented by a knowledge of the following chapters in "Advanced Accounts" by R. N. Carter (Revised Edition, 1937). Where these chapters cover the same ground as Fieldhouse, the questions will be set from Carter and not from Fieldhouse.

Chapter I.—Book-keeping up to the Trial Balance.

Chapter II.—Trading and Profit and Loss Account and Balance Sheet.

Chapter III.—Bills of Exchange, Promissory Notes, Cheques.

Chapter VI.—Self-Balancing Ledgers.

Chapter VII.—Reserves for Bad Debts and Discounts.

Chapter VIII.—Capital and Revenue Receipts and Payments Accounts, Income and Expenditure Accounts, Voyage Accounts.

Chapter XVII.—Manufacturing Accounts, Percentage Trading and Profit and Loss Accounts, Working Accounts, Cost Book, Mining Company.

Chapter XVIII.—Depreciation, Sinking Funds, Reserves, Reserve Funds, Secret Reserves.

Chapter XXII.—Cost Accounts.

Chapter XXIV.—Double Account System.

Note.—If there is any change in the subjects of these chapters in the subsequent editions of "Carter", candidates should read the corresponding chapters in the later edition.

(iii) *Arithmetic and Mensuration*.—The standard for this subject will be the same as that prescribed for the Matri-

culatation or the School Leaving Certificate Examination. The book "Mensuration for Indian Schools and Colleges, Part I", by Pierpoint, has been prescribed as representing the standard expected of the candidates in this subject.

4. As the examination is a competitive one, no exemption from appearing in any subject will be granted to any candidates except to the S.A.S. passed clerks of the Ordinary Branch of the Audit Office who are totally exempted and will be selected as Divisional Accountants on the basis of the record of their work to the extent thought expedient in the interest of the office, in preference to ordinary Upper Division Clerks.

5. Each candidate applying to appear at the examination will pay a fee of Rs. 7/8/-. The fees of candidates whom the Accountant-General considers in his discretion to be unsuitable for admission (see Rule 14) will be returned by Postal Money Order at their cost. If from any cause an admitted candidate fails to appear in the examination the fee paid will not be refunded nor will it be placed at his credit for any subsequent examination.

Note.—Scheduled Caste and Scheduled Tribes candidates will be required to pay only one-fourth of the fees.

6. No candidate will be allowed to appear in the examination more than twice, but the Accountant-General may in his discretion permit a candidate who has failed by reason of properly certified personal illness to appear after acceptance not to count that against the total and allow a third chance in deserving cases to a direct recruit.

7. The minimum educational qualifications of the candidates from the three sources will be as follows :—

(a) *For Direct Recruits*.—A University Degree in the Second Division, i.e., a division better than the lowest that may be obtained from the candidate's University.

Note.—(1) A B.A. pass graduate of Delhi University who has obtained 50 per cent. of the aggregate marks in that examination will be treated as a 2nd Division Graduate.

Note.—(2) This provision in the case of Madras candidates will mean as follows :—

(1) B.A. or other pass course candidates.—A second division in the subjects and in any one of the other two parts of the examination.

(2) B.Sc. or B.Sc. (Hons.) or B.A. (Hons.) candidates.—A second division in the final examination without any reference to the marks secured by the candidates in Part I, English, in the first year of their course of study.

(3) In the case of B.Com. or B.Com. (Hons.) degree, second division in the final examination, i.e., Part III in B.Com. and final in B.Com. (Hons.).

(b) *For Recruits from Audit Offices*.—The same standard as that normally prescribed for Upper Division Clerks in the office to which the recruit belongs subject to the minimum of a bare degree.

(c) *For Recruits from P.W.D. Offices*.—Such educational standard as may be agreed upon from time to time between the Accountant-General and the Central or Provincial Government concerned, a thoroughly satisfactory record of service in the P.W.D. Offices compensating for educational shortcomings. Preference will, however, be given to candidates possessing a University degree.

8. No clerks of the P.W.D. and Audit Offices will be eligible to appear in the examination unless they have rendered more than two years service as Accounts Clerks in the P.W.D. Offices or as Auditors in the W.A.D. in the Audit Offices respectively.

Note.—The Audit Office candidates and candidates of the Public Works Department including those in the Superintending Engineer's and the Chief Engineer's Offices who possess the same educational qualifications as those prescribed for "direct recruits" and whose age does not exceed the limit prescribed for direct recruits will be allowed to sit in the Initial Recruitment Examination for Divisional Accountants even though they have not put in two years service as Auditor in the Works Audit Department sections of the Audit Office or as Accounts Clerks in the P.W.D. Offices respectively. Such candidates will however be eligible to compete only for vacancies assigned for "direct recruits" and they will be subjected to the same conditions in respect of training and probation, etc., as are prescribed for "direct recruits".

9. A candidate wishing to appear in the examination will apply in the form prescribed in Rule 13 to the Accountant-General concerned enclosing a fee of Rs. 7/8/- and the following certificates :—

(i) Certificate of good character signed by the candidate's immediate official superior in the case of candidates already in Government service and by the Principal of the

College in which he has been educated, or by some other superior under whom he may have been employed or to whom he may be well known, in the case of outsiders. This certificate must have special reference to the two years immediately preceding the date of the application and this should be specifically mentioned in the certificate.

(ii) A duly verified statement of age, e.g., a baptismal certificate, a birth certificate, an affidavit signed by the guardian or a relative of the candidate before a Magistrate, or an attested copy of the Matriculation or School Leaving Certificate stating the date of birth, or an attested extract from the service book in the case of candidates already in Government service.

(iii) An attested copy of the University degree or other educational certificate as the case may be.

10. The application which should be written by the candidate in his own hand-writing, and the certificates, etc., prescribed in Rule 11 should be submitted so as to reach the Accountant-General's Office not later than the 15th of the month second preceding the month in which the examination takes place.

11. The application should set forth the following particulars :—

- (1) Name of the candidate (in full) (to be written in capital letters).
- (2) Father's name (in full).
- (3) Community or caste to which he belongs (e.g., Hindu, Muslim, Sikh, Christian, Scheduled Caste, etc.).
- (4) Date of birth.
- (5) Examination passed with dates.
- (6) Signature of candidates.
- (7) Present address to which all communications should be forwarded.

12. Applications which do not satisfy the requirements of the foregoing rules will be rejected without entering into further correspondence with the candidates. Other applications will be considered on their merits by the Accountant-General whose decision as to whether or not the candidate should be allowed to appear for the examination will be final. Each candidate will be informed whether his application has been accepted or not.

13. The examination will be held, at such hours as may be fixed by the Accountant-General and communicated to each candidate.

14. The candidates as thus finally selected will be required to undergo the prescribed training in the Audit Office and/or Public Works Divisional Office before they are allowed to appear in the Divisional Test Examination in accordance with departmental regulations.

No candidate, from whatever source selected, will be appointed to the cadre of Divisional Accountants unless he has passed the prescribed Divisional Test Examination or, in the case of S.A.S. passed clerks of the Audit Offices, the Viva-Voce Part of it.

Persons appointed as Divisional Accountants will be borne on the cadre of the Accountant General, Central Revenues, or the Central Pool of Divisional Accountants attached to that cadre and will be liable to be posted as Divisional Accountants all over India under the control of any of the Accountants General, Comptrollers, or Accounts Officers in India. On appointment as Divisional Accountants, they will be entitled to draw pay at Rs. 130 p.m. in the scale of Rs. 130—10—250—EB—15—355 plus usual allowances.

*Note.*—During the probationary period the pay for direct recruits will be Rs. 100 (fixed) plus usual allowances.

15. The results of each examination are independent. The place, an unsuccessful candidate may have taken in one year, even if he be excluded on communal grounds, gives him no claim to a subsequent vacancy.
